

STOP N SHOP

Mrs. Weeks,

Kevin Rowe has been a valued employee of Stop N Shop for almost six years as a cook and cashier. He is hard working, honest and is an incredible asset to our company. I know Kevin has ran into some trouble recently for a controlled substance charge and I am willing to over see this because of his incredible work ethic. With that said I am going to remove Kevin from his normal duties as cashier and place him in the kitchen as a cook with the hopes that he will be able to get his sheriffs card soon.

Thank you,
Robin Tally
